

SARANYA POTHINA

Visakhapatnam | +91 8688161699 | saranyapothina07@gmail.com | github.com/saranyaaaa17

PROFESSIONAL SUMMARY

Backend Developer skilled in Python and FastAPI with experience in building RESTful APIs and integrating machine learning models. Strong in problem-solving, OOPS, and database fundamentals with hands-on project experience.

TECHNICAL & CREATIVE SKILLS

- Languages: Python, Java (Basics), JavaScript
- Backend: FastAPI, RESTful APIs, CRUD, JSON, API Integration
- Frontend: HTML, CSS, React (Basics)
- Database: SQL, PostgreSQL
- AI/ML: Machine Learning, Data Preprocessing, Feature Engineering, Model Building, Pandas, NumPy, Scikit-learn, LangChain
- Core: DSA, OOPS, DBMS, OS
- Tools: Git, GitHub, Postman

PROJECTS

Multi-Agent AI Tutor

- Designed and developed an AI-powered tutoring system using multi-agent architecture with LangChain
- Built scalable backend services using FastAPI to process user queries and generate adaptive responses
- Implemented RESTful APIs for dynamic query handling and structured response generation
- Applied modular design principles for efficient system scalability and maintainability

Tech Stack: Python, FastAPI, LangChain

Heart Disease Prediction Web Application

- Developed a full-stack machine learning application for cardiovascular disease prediction
- Built and trained ML models using Scikit-learn with data preprocessing and feature engineering
- Designed RESTful APIs using FastAPI for real-time prediction and model integration
- Implemented frontend-backend communication using HTTP requests and JSON data exchange

Tech Stack: Python, FastAPI, React, Pandas, Scikit-learn

INTERNSHIPS

Machine Learning Intern – Internshala

- Worked on data preprocessing, model building, and evaluation
- Built heart disease prediction system

Python Full Stack Trainee – ExcelR

- Developed REST APIs using FastAPI
- Integrated frontend and backend systems

Web Development Intern – Apex Planet

- Built responsive web pages using HTML, CSS

EDUCATION

- B.Tech (CSE) – Baba Institute of Technology and Sciences (2022–2026) | CGPA: 8.1
- Intermediate (PCM) – Prabha Junior College | CGPA: 9.2
- Class X – CBSE | CGPA: 7.5

CERTIFICATIONS & ACTIVITIES

- Oracle OCI AI Foundations Associate
- Gen AI – GeeksforGeeks | HackerRank (Python, Java)
- Participated in GDG Vizag, HackVortex, AWS Cloud Summit
